

# Charcoal/Smoker Basket with Cover/Grid Lifter

**FIREMAGIC**

BUILT WITH PASSION OWNED WITH PRIDE

## Enjoy This Charcoal/Smoker Basket *(featured on every Echelon Diamond grill)*

### Enhance the flavor of the food you grill Add charcoal or wood chips.

- This new Charcoal/Smoker Basket grills with charcoal, or smokes with soaked wood chips. Stainless steel basket sits on top of the burner easily igniting the charcoal or wood chips.
- Includes a expertly designed and crafted 14-gauge stainless steel smoker cover; with easy-to-use cover lifter.
- Adds charcoal or a variety of smoked flavors to foods while grilling.
- Expanded stainless steel metal grid on which to place charcoal or wood chips.
- Bottom ash catch designed to collect ash for effortless clean-up.

Lid off for Charcoal Grilling.

Lid on for Smoking.

Want to add charcoal flavor to your foods while grilling? Or would you prefer the taste of hickory, cherry or apple woods infused into your meat? Create dishes filled with the aromas and tastes that you desire. You will love the way your food tastes when you use this Charcoal/Smoker Basket.

The Cover Lifter is included for handling the Smoker Lid and cooking grids.

Load soaked wood chips evenly to top edge of basket. Charcoal may be loaded  $\frac{3}{4}$ " above top edge of basket.
