Refreshment Center

with insulated lid

Model #3596A

For your hot summer gatherings!

Fire Magic's Echelon Refreshment Center is a great accessory for keeping beverages icy cold in the great outdoors. Removable insulated lid opens to reveal a generous compartment holding 30 pounds of ice (a drain kit is included). A bottle shelf offers convenient storage and a handy bottle opener stands at the ready. Constructed of 304 stainless steel, the Refreshment Center features the same sleek, rounded front face found on all Echelon Diamond series grills and accessories for a unified look in any barbecue island.
